Knight Club

CHILD CARE PROGRAMS

**Toddlers: 24-36 months**

Toddlers will play with blocks, create artwork, do messy sensory activities and listen to music. There will be plenty of laps for sitting on and listening to stories, as well as a variety of learning activities to encourage creative expression and exploration. A quiet, rest period will also be scheduled. Parents are asked to provide a change of clothes, blanket and diapers.

**Preschoolers: 3-5 year olds**

Curiosity and creative thinking will be encouraged through self-directed or group activities. Your child will choose from dramatic play, movement and music activities, messy masterpieces, and stories. Preschoolers must bring a change of clothes and a blanket for rest time.

**School-age: 5-10 years old**

School-age children will have the freedom to choose the activities that they would like to participate in. Your child may choose from board games, art projects, independent reading and group activities. School-age children do not need to participate in rest time activities and may choose to continue to engage in the recreational activities offered.

*Reunion childcare services will be provided by the Douglass Psychology Child Study Center.*

*This is the only childcare facility on-campus and capacity is limited, so reserve early!*

*Children will be divided into three groups: toddlers, preschoolers and school-age, as described to the right.*

Douglass Psychology Child Study Center
Since 1930, the Douglass Psychology Child Study Center has been serving the Rutgers Community. Our Center serves as the lab school for the Psychology Department and you will see that we have many adults working with our children in various roles. We have college fieldwork students completing their coursework, college students fulfilling their volunteer requirements, researchers and investigators working with the children, and our regular staff members going about their important work of caring and implementing developmentally appropriate activities to engage the children. Currently, there are 30 children enrolled at the Center and we are exploring expansion opportunities in an effort to meet the growing research and childcare needs of the Rutgers Community.

Knight Club Waiver Form

Knight Club provides a fun and safe environment for children. However, in any childcare program, injuries can occur. In order for Knight Club to be able to provide drop-in childcare services for you, it is necessary that you assume certain risks. Thus, as a requirement to receive our services, Knight Club is requesting that you sign this release.

Registration Form Agreement
On behalf of myself, my spouse, and each child designated (my “child”) I enter into this admission form agreement with the Douglass Psychology Child Study Center. Knight Club is a program offered by the DPCSC.

Health: My child is in excellent health and physical condition and has no medical, psychological, physical, or mental impairment, which has not been disclosed to Knight Club on the attached Registration Form. My child does not have any infectious, contagious, or communicable diseases.

Immunizations: My child has received all immunizations required for his/her age, and I agree to present records indicating such upon request.

General Medical Guideline/Discretion: Although Knight Club tries to provide a safe environment, it is possible that my child could get injured. In such an event, I authorize Knight Club to follow its internal procedures, including simple first aid as reasonably appropriate; however, I understand that Knight Club shall not be required to strictly follow those guidelines when, in Knight Club judgment, circumstances may require otherwise.

Medical Authorization: In the event that Knight Club determines that emergency medical attention is necessary for my child, I authorize Knight Club to act as an agent for me and to give my permission for my child to be transported to the nearest hospital and attended by a physician in such circumstances, as Knight Club deems necessary.

Safety/Indemnity: I agree that Knight Club may take action, which it considers prudent to protect the safety of my child, and other children visiting Knight Club. I further agree to indemnify, defend and hold Knight Club (and its Officers, Directors, Agents, and Employees) harmless from and against all actions, claims, or liability, including Attorney fees and court costs, directly and indirectly caused by me in completing the Registration Form.

Additional Requirements: As a condition to my use of Knight Club, I have accurately completed and signed the Registration Form and Release. I understand that Knight Club will rely on this information in caring for my child. I agree to pay all costs and attorney fees arising out of any action relating to this Agreement, the Registration Form, or the Release for collection purposes or otherwise.

I, on behalf of me, my spouse, and each child designated on the Admission Form Agreement (my “child”), waive and release all rights, causes of action, and claims against the Douglass Psychology Child Study Center and Rutgers University, and its Officers, Directors, Agents, and Employees, for any and all loss of or damage to property or injuries suffered by my child during the time my child is in the custody of Knight Club employees, including the possible negligence of Knight Club, but excluding gross negligence and intentional misconduct. I understand that the provision of childcare contains risk of injury to persons and damage to property, and that by signing this release I engage Knight Club to provide temporary childcare for my child at my own risk. I have been given an opportunity to ask questions and obtain answers to my satisfaction regarding any and all aspects of Knight Club and the Release, including, but not limited to, future risks, complications, and costs. By signing this Release, I have not relied on any promises or statements made by Knight Club other than those contained in the written information supplied to me by Knight Club. I understand that this Release is effective Saturday, May 14 - Sunday, May 15, 2010 and will be temporarily kept on file at Knight Club.
